Goods or Services that are the subject of the Order are referred to as "OGS". The Aquestive entity listed on the front of the Order is "Buyer" and "Vendor" is the entity identified on the front of the Order. 2. **ORDER ACCEPTANCE:** Vendor accepts the Order and shall fulfill it upon the earliest of: Buyer's receipt of Vendor's written acceptance of the Order; delivery of OGS or Buyer's receipt of Vendor's invoice for the Order. The Order may not be waived, modified or cancelled except in a document signed by both parties and delivered by Buyer to Vendor. Buyer may cancel the Order at any time before Vendor can demonstrate that it (i) had commenced substantial efforts to manufacture or entered into a binding non-cancelable agreement to purchase relating to the manufacture of, the Goods; or (ii) had commenced performance of the Services, as applicable. Thereafter, Buyer may cancel the Order and pay only the prorated portion of the price for conforming Goods actually manufactured or conforming Services actually performed, as applicable.

3. **SHIPMENT:** Buyer reserves the right to select the mode of transportation and carrier to be used for each shipment. Vendor shall arrange shipment to comply with Buyer's designated delivery date and at Vendor's expense for all freight, customs, duties and fees. All shipments shall include packing slips. Unless agreed to in writing by the parties, there shall be no charges for packing or crating. Buyer's Order number and part number shall be shown on each packing slip, bill of lading and invoice.

4. **DELIVERY:** Delivery shall be made to the "Ship To" address, DDP Buyer's premises or directed location, pursuant to Incoterms 2023. Buyer has no obligation to accept deliveries that are not made on the required delivery date.

5. **LOT TRACEABILITY:** Each unit of issue, part, component, or material of OGS shall be identified by lot, batch or control number traceable to its manufacturing facility. The lot or batch number shall provide the capability for a lot or batch purge, if applicable, in the event of any field action or the determination of an adverse condition or discrepancy. Vendor shall not use the same lot or batch number on more than one OGS. Goods requiring unique marking for identification purposes shall be approved by Buyer in writing prior to shipping.

6. **PAYMENT TERMS:** Payment is subject to inspection, adjustment for any shortage in quantity, failure to make specified delivery dates and/or loss or rejection due to nonconformance. All payment terms, including any discounts, are calculated on the later of: the date of actual receipt and acceptance by Buyer of the OGS or the invoice date. Undisputed invoices for conforming OGS are payable 2.0% 15 days, net 45 days of receipt, which receipt shall not precede delivery. All deliveries of OGS shall include a written invoice, with the Order Number, addressed to Buyer's Accounts Payable Department and shall separately itemize any and all applicable taxes, customs, duties and fees, if any. No extra charges of any kind, including but not limited to surcharges, will be allowed unless first specifically agreed to by Buyer in writing. Vendor shall comply with all written instructions from Buyer regarding processing of invoices, if any, on or after the date of the applicable Order.

7. **TERMINATION:** Buyer may refuse to accept delivery of OGS or any installments and, at Buyer's election, the Order may be deemed breached and terminated by Vendor in its entirety.

8. **RISK OF LOSS:** Risk of loss shall pass to Buyer, when: (i) with respect to Goods not incorporated into Services, conforming Goods are delivered to Buyer's Receiving Warehouse; and (ii) with respect to Goods incorporated into Services, the completed Services have been accepted by Buyer. All Goods shall be packed for shipment by Vendor in accordance with applicable specifications and with industry standards and all Federal, state and local laws, rules and regulations (collectively, "Applicable Law"), with respect to protection of Goods during shipping and handling.

9. **INSPECTION AND BUYER'S ACCEPTANCE/REJECTION:** Regardless of Buyer's prior payment, Buyer may, but shall not be obligated to, inspect and/or test OGS and reject those which are, in Buyer's judgment, defective or non-conforming to the Order. Buyer will hold rejected OGS, or overages at Vendor's risk and expense for a period of 15 days, after which time Buyer may, at its discretion, dispose of the rejected OGS and/or overages. If Buyer rejects OGS after making payment, Vendor shall promptly refund the full payment. Unless otherwise addressed in the applicable Order, if the quantity of OGS delivered exceeds the quantity designated in the Order by 10% or less, Buyer may, in its sole discretion, retain the overages without charge to Buyer. Buyer reserves the right to return at Vendor's expense for transportation, insurance, storage and other related costs (both ways), Goods or Services delivered in excess of the Order or OGS not meeting Buyer's specifications and standards, regardless of whether payment has been made. No replacement or substitution of OGS may be made unless expressly authorized in writing by Buyer. Vendor shall immediately process any substitution upon Buyer's request. Unless otherwise agreed by Buyer in writing, Vendor shall deliver to Buyer a certificate of analysis as to specifications approved by Buyer in writing with respect to each lot shipped.

10. **CONCEALED DAMAGE:** If Vendor or Buyer discovers damage to or nonconformance of a shipment or portion thereof that was not discovered at initial inspection, if any, and the damage or nonconformance is not caused by Buyer, Buyer may return the Goods and Vendor shall promptly refund full payment, but in no event later than 30 days after notification.

11. **AUDIT/INSPECTION RIGHTS:** Buyer may inspect or audit any facility or other place OGS are made, assembled, labeled, packed, handled or performed by or for Vendor. Vendor shall permit Buyer access to Vendor's books and records relating to the Order and the OGS purchased thereunder. Vendor shall maintain its books and records pertaining to the Order and the OGS purchased thereunder for at least 3 years following the date of Buyer's last acceptance of OGS under the Order.

12. **PRICE:** Vendor may not fill the Order at a higher price than stated in the Order or add any charges unless Buyer expressly so authorizes in writing. If Vendor reduces the price of any item of OGS, Buyer shall receive the benefit of the price reduction with respect to all OGS as well as any Goods or Services in Buyer's inventory at the time the price reduction becomes effective. Vendor represents, warrants and covenants that it is selling at the lowest prices and upon the most favorable terms (including, without limitation, volume, quality and/or payment terms) that it offers any buyer for Goods or Services of the same or similar quality as those provided for in the Order. If, during the term of the Order, Vendor makes an offer to sell any such Goods or Services to a third party at a lower price or upon one or more terms that are more favorable than the price or terms then applicable under the Order, then an equivalent reduction or modification of terms will apply to all Goods or Services purchased thereafter for the balance of the term of the Order. If, at any time during the term of the Order, Buyer notifies Vendor that

Vendor's failure to provide notice within such 7-day period shall be deemed an election by Vendor not to meet such Favorable Terms.

13. INSURANCE: Vendor shall maintain in full force and effect, while performing any OGS, and for a period of 3 years following the last date of Buyer's acceptance of the Services, the following minimum insurance coverages: (i) Worker's Compensation insurance providing statutory benefits per the Applicable Laws of the jurisdiction in which the Services are to be performed, even where the provision of such insurance is not required by law; (ii) Commercial General Liability insurance on an "occurrence" basis including coverage for premises, contractual, products and completed operations liability with a combined single limit of \$2,000,000 for bodily injury and property damages; (iii) Automobile Liability insurance for owned, leased, non-owned or hired vehicles covering bodily injury, death and property damage, with a combined single limit of \$1,000,000 per accident; (iv) Professional Liability insurance with a limit of \$2,000,000 and a retroactive date of at least the first date Services are performed for Buyer or earlier; and (v) Products Liability insurance with a combined single limit of \$1,000,000.
